

## **RANDOLPH JR RAMS HOCKEY SPONSOR**

**Here is an opportunity to help the Randolph Ice Hockey Committee continue to provide a quality Ice Hockey program to the children of Randolph, NJ and get some great exposure for your business!**

The Randolph Hockey program is a 6-month per year, 110% volunteer program funded by the hard working parents of Randolph Hockey players and community minded businesses like yours. One hundred percent of all donations are spent on improving the program for our players.

This year sponsors receive recognition on our own Internet web site <http://www.randolphhockey.com> This site is popular with the hockey community and is out there for the whole world to visit. The site contains information about our program as well as the latest schedules, directions to rinks, information about the rules of the game and links to and from the Morris County Youth Hockey league site. It could also include your logo/ad. Parents and players check in weekly for up to the minute information. The WEB site has received over 10,000 visits this past year. It is a great way for your business to get some exposure at both the Township and County level. Visit the page now to see examples <http://www.randolphhockey.com>.

Sponsors are showcased directly on our home page. A logo (artwork provided by sponsor) or small Ad (simple text can be done by our webmaster) will be placed on the page with a hyper link to your website or email address.

For a \$100 donation, your ad will run from October to October. So get your business on the coolest site on the web today.
